

Regular Parcel

When you don't need high-speed, why pay for it? Regular Parcel—your low-cost, reliable solution.

You always want your parcels to arrive safe and sound. But, you don't always need them to arrive in a rush. With Regular Parcel, you get dependable service, economically.

Don't pay for frills you don't need

When you can afford to take a little more time, you can spend a lot less money on shipping. Regular Parcel delivers at a much lower cost to any address in Canada. And, you pay only for the options you really want.

Simplify and save

Play it smart. Don't use expensive express for speed you don't need. Regular Parcel delivers packets and parcels affordably.

Connect anywhere

Regular Parcel delivers to 14 million business and residential mailing addresses in Canada—so you're connected nationwide.

Maximize ease and convenience

With over 6,600 post offices, you'll always have a handy drop-off location nearby.

Save time and effort

If mailing packages yourself isn't the best use of your time, you can arrange for On-Demand Pickup or Scheduled Pickup services.

Feel secure

No one there to receive your package? No worries. Specify "Card for Pickup," and we'll notify the receiver that the package has gone to the nearest post office.

Get easy access to shipment status

Delivery Updates by email allow you to better manage your resources and time by offering greater parcel visibility through the delivery process. Access updates anywhere email is available.

Keeping costs down is key to your competitiveness. Regular Parcel lets you take a sharp pencil to your shipping budget.

Regular Parcel

Pay only for the options you want

Easy identification

When it's important to know who received your shipment, you can arrange for the name of the person who signed for it, and a hard copy of the signature.

Collect on delivery (COD)

You can have Canada Post collect cash up to \$1,000 or cheque payment up to \$25,000 for the items delivered.

Put Regular Parcel to work in your flexible shipping menu

Use Regular Parcel for its economical service and basic features. When you combine it with Canada Post's array of services and tools, you get one convenient source for a broad range of shipping choices and innovative business tools.

- With Regular Parcel, you can ship any package that meets size and weight requirements, so you don't need to use multiple shippers**.
- When you're paying for returns on a tight budget, enclose Regular Parcel return labels in packages. Receivers send back the package. You get the bill.
- If you're a customer with more than 10,000 returns a year, ask for Bulk Return Parcel Service.
- Use our free Online Business Centre to order products, prepare statements, manage accounts. You'll cut paper-work, save time and improve accuracy.
- Make Regular Parcel part of your mix. Add Xpresspost™ or Priority™ Next A.M.* for time-sensitive material and documents, and round out your delivery options.
- Online customers like to control shipping choices. Offer Regular Parcel in your delivery mix and allow customers to choose the speed or cost they want.

Choose Regular Parcel for low-cost reliable shipping.
